Dear Friends,

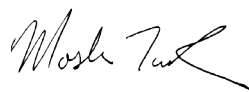

With gratitude to Hashem we write to inform you that our annual Dinner is scheduled to take place **this year** on *Monday evening, June 19, 2023*, at Da Mikelle Palazzo in Queens.

This is an important event for the Jewish Heritage Center, as we gather together to honor the remarkable spirit of the JHC community, celebrate our collective achievements, and recognize the profound impact that the Jewish Heritage Center has made.

We are profoundly appreciative of five special couples, students and Alumni of the JHC, who graciously allowed us to honor them in recognition of their years of service to the JHC community in general and to its Queen Minyan specifically. Each of these couples: **Eliezer and Etta Anton, David and Barbara Burstyn, Elliott and Lorey Friedman, Todd and Kerry Greenwald and David and Sandy Linn** have given of their time, efforts and energies to the JHC community and to the smooth running of our Queens Minyan throughout the years. The five men, Gabbais past and current, gave of themselves to take charge of the myriad needs of daily, Shabbos and Yom Tov services. Together with their wives they ensured that our Center was more than just a minyan, opening their hearts and homes to make everyone feel welcome, wanted, special and cared for. For this and so much more they are all worthy recipients of this year's Gil & Marilyn Miller Community Service Award. We are also immensely grateful to our good friends **Rabbi Jonny and Kayla Weiss** for accepting our Young Leadership Award, given in appreciation of their exemplary concern, dedication and pioneering involvement in the growth of the new East Meadow Torah Community. We are very grateful that they have accepted these honors to help support the critical work of the Jewish Heritage Center.

This Dinner is our major fundraiser of the year. Especially at this time, we need the continued and increased support of our alumni and friends. We hope you will express your support to the best of your ability in our Commemorative Journal. We also ask you to remember that ***your presence at the Dinner does make a difference*** – it is both respectfully requested and deeply appreciated. Please join us!

Warmly,

Rabbi Moshe Turk
